Temporary Road Closure of Howard Road, SE under I-295

November 16, 2020 – November 21, 2020

Weeknights 8:00 PM to 6:00 AM

Saturday 6:00 AM to 9:00 PM

(Washington, D.C.) The District Department of Transportation (DDOT) will temporarily close Howard Road SE between the WMATA Parking garage and Firth Sterling Avenue, SE nightly from Monday, November 16, 2020 through Saturday morning, November 21, 2020, from 8:00 pm to 6:00 am the following morning. This closure will also continue Saturday, November 21, from 6:00 am to 9:00 pm. In the event of inclement weather, additional construction needs, or other unforeseen delays work will continue through Sunday, November 22, 2020.

This closure is necessary for bridge reconstruction, as shown in the below graphic. A marked detour will be in place during the closure.

This closure is a result of the reconstruction of the I-295/ Howard Road, SE interchange, and necessary for construction activities associated with the South Capitol Street Corridor Project, which includes construction of the New Frederick Douglass Memorial Bridge.

Pedestrians and cyclists are advised to stay alert and follow signage when traveling through this area.

###
